## OUR CUSTOMS BROKERAGE SERVICES:

In the global market place, rapidly changing demands on production and delivery schedules have placed increased responsibility on Customs House Brokers to provide expert Customs Clearance Services.

ANGIF is widely recognized as one of the leading customs brokers in the Nigeria and beyond. ANGIF has long-standing professional relationships with government agencies and this hard earned and privileged status delivers a distinct advantage when it comes to negotiating difficult consignments and dealing with the challenges of bureaucratic procedures in the Nigerian Ports.

## OUR AIR FREIGHT SERVICES:

Due to the sensitivity and time pressures involved in airfreight, ANGIF has developed a comprehensive airfreight service plans tailored to meet the customers' specific requirements. This is accomplished by learning our customers' exact objectives with regards to their internal and external requirements.

Sensitive and valuable goods are often subject to extreme time pressures and deadlines for everyone involved. Therefore, our airfreight department develops a customized service plan for each customer, and then implements our required Operational Handling Procedure to ensure high quality service.

Our team of air freight professionals follow through on each and every shipment and our customers can be assured of real-time status reports on all import and export air freight shipments at all times.

For oversize cargo transportation by air, we provide professional know-how related to the handling of part and full charter service including complete door to door delivery logistics on a global scale.

## OUR ROAD FREIGHT SERVICES:

**M**ost transport chains include trucking at either the beginning or the end. ANGIF's integrated transportation and logistics service includes Road Transportation Services that connects all the cities in Nigeria in to a single network.

ANGIF is one of the leading LTL and FTL operator in the Nigeria offering regular and scheduled departures to/from all major cities in the country. Additionally ANGIF has a dedicated division to handle the transportation of perishable and dangerous goods.

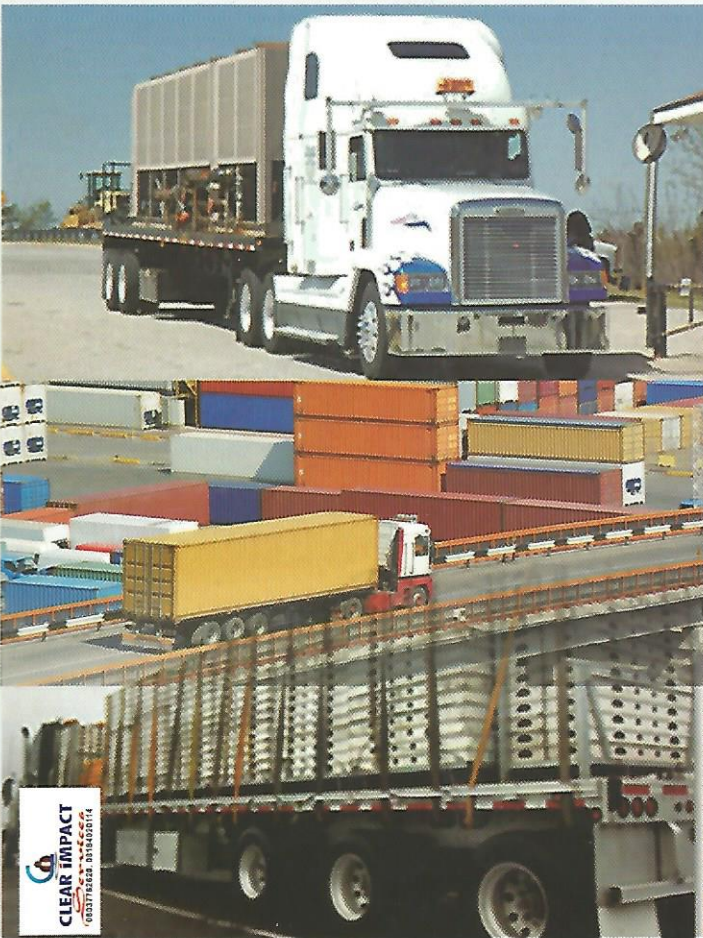

Having our own fleet of multipurpose trucks and trailers, ANGIF offers competitive pricing coupled with a reliable and world class quality road transportation and distribution services within the Country.

## OUR WAREHOUSING SERVICES:

ANGIF offers secure storage facilities at all key destinations in the Country. Our warehouses are among the safest places to deposit your goods.

There are two basis reasons for this: For security, they are equipped with electronic theft and fire alarms backed by round-the-clock security guards. For hygiene, in addition to normal hygiene standards, we can offer our customers certificates guaranteeing constant checks carried out by specialist companies. All goods are properly protected so that they can remain in our warehouse for as long as the customer deems necessary.

ANGIF's extensive warehousing and distribution system will pick, pack, store and distribute consignments anywhere in the country by efficient modes of transport. Special warehousing facilities for household goods and personal effects are also available at all ANGIF locations.
